Jillian's talk was engaging, captivating and the feedback from attendees was overwhelmingly positive.

- Tara Clarke, Bank of England, UK

Jillian did an amazing job in linking her personal story and experience to the business context that people encounter on a daily basis. The power of Jillian's approach is that it can talk to any culture, background and experience.

- Silvère Aubriot, Novo Nordisk, Denmark

Your heartening comments on the strength and resiliency of you and your family also gave hope to many in the audience that no matter what your situation is, perseverance, hope, dedication, and hard work ethic can make a difference (and change a life).

- Ljubomir (LJ) Stambuk, President & CEO, World Affairs Council of Charlott & Bank of America
