Past District Governor, Rotary in London
(Rotary International District 1130)

“Often we see speakers described in publicity material as “inspirational” speakers and this often turns out to be a mere cliché. But there is a speaker whom I recently heard who is truly inspirational and she is Jillian Haslam. Her story of how she fought her way up out of the grinding poverty of the slums of Calcutta to a successful career in banking, speaking and writing I found both inspiring and very moving. She hasn’t forgotten her roots and now she helps those in Calcutta by her charitable work to improve their life chances. Without exaggeration, she is one of the most amazing people that I have ever met.”
